Kuala Lumpur Mayor's Tourism Awards

Royal Selangor has been commissioned by the Kuala Lumpur Tourism Bureau @ Kuala Lumpur City Hall to design the 2017 Kuala Lumpur Mayor's Tourism awards.

The award features a sleek, towering form that symbolises the evolution of Kuala Lumpur, from a small tin mining town to a thriving metropolis which attracts millions of tourists around the world. The faceted surface of the award captures the exciting diversity of cultures, festivals and traditions that makes Malaysia an exceptional tourist destination.

Elegant Royal Selangor pewter accessories have made their way into homes worldwide since 1885. From tableware, drinkware, wine & bar accessories to personal accessories, each piece combines a tradition of craftsmanship and modern techniques. Royal Selangor is also renowned for pieces designed by award-winning designers such as Erik Magnussen as well as bespoke commissions for Dom Pérignon, Krug and Veuve Clicquot.

Royal Selangor's bespoke commissions are also recognised as accolades that befit the world's top achievers. The company has crafted trophies for other high profile events such as the Formula 1 Grand Prix races in Singapore, Malaysia and China; the Shanghai ATP Masters 1000 and the inaugural WTA Wuhan Open 2014 tennis tournaments; and the Maybank Championship Malaysia, the CIMB PGA, and Sime Darby LPGA golf tournaments.

Internationally acclaimed for its commitment to innovative designs and fine craftsmanship, Royal Selangor has received many awards such as the 1997 Gift of the Year Award and the 2002 Red Dot Award for Product Design from Germany's Design Zentrum.

The company also has a visitor centre that shares the story of Malaysian pewter crafting

and how it became part of Malaysian history with locals and the rest of the world. Standing majestically with its modern urban design, Royal Selangor Visitor Centre is the go-to place to experience pewter-both as a beautiful piece to be admired and as a craft, closely bound to Kuala Lumpur's colonial past and kept alive through the passion and imagination of its artisans.

Royal Selangor is available in more than 20 countries worldwide. In addition to those in its home market of Malaysia, it operates its own retail stores in Australia, China, Hong Kong and Singapore, and is carried by fine stores like Wako and Mitsukoshi in Japan, as well as Harrods and Selfridges in the United Kingdom.
